

# "CATCH THE READING BUG!"

This year's Collaborative Summer Library Program's theme is "Catch the Reading Bug!" Purchase Insect and Spiders Decorative Stickers and Wall Art to help promote the theme and entice children to read during their summer vacations. Got a small budget? The inexpensive Decorative Stickers and Wall Art are great to hand out to children as incentives while still saving you money.

## CHILDREN'S EDUCATIONAL DECORATIVE STICKERS - INSECTS AND SPIDERS

Hand out these creepy, crawly stickers as incentives for children to read. Kids will love collecting and trading the stickers to create an entire set. Set includes 15-30 stickers with detailed images of insects and spiders which are pre-cut – simply peel and stick. Stickers are permanent and won't fall off. Apply stickers to clean, dry surfaces for best results.

## REMOVABLE WALL ART - INSECTS AND SPIDERS SERIES

Kids will love to decorate their rooms with Insects and Spiders Series Wall Art. Large stickers feature a special adhesive that allows kids to reposition the stickers multiple times without losing the surface or leave a stick or shape. Plus, the adhesive will not damage the surface or leave a stick residue. Choose from four different sets that feature detailed images of bugs and spiders. Each sticker is pre-cut – simply peel and stick. For best results, apply stickers to clean, dry surfaces.
