My name is Noelle McCrum. I am interested in becoming one of two representatives from Warren County for the SALS Board of Trustees.

For my whole life I have been an avid reader. One of my favorite childhood memories is riding my bicycle to the children's library across town with my sister. (Oh, those were the days!)

I'm married and have two grown children. I worked for 23 years as an elementary school teacher. I taught grades K-4. I retired in 2016. At that time my husband and I moved to Loon Lake. Since he was still working as a 747-airline captain, I looked toward volunteering in the local community. One of the volunteer opportunities was to join Chestertown Friends of the Library. For several years I served as the chairperson for the FOL annual wine tasting fund raiser.

When my husband retired from flying and became the FOL treasurer I transitioned to the Chestertown Library Trustee board. I have served as secretary and president of the board. At present I serve as a mentor for our current president.

When I'm not reading, I enjoy volunteering as an event coordinator for Club 102, ADK Cold River Chapter and Seagle Festival Guild. I also hike, paddle and cross-country ski.

I look forward to serving the libraries in Warren County as a SALS Trustee.
