

# Rate for ILS Access for SCPL Ad Hoc Committee

## Charge

Explore, if it is necessary, establishing a rate to provide ILS access to SCPL after 9/4, to ensure ongoing transition activity does not economically impact SALS and MVLS members.

## Background

- SCPL has requested in writing to end membership of JA as of 9/4/2024
- SCPL indicated at the first transition team meeting on 4/22/2024 a desire to extend access approximately 2 months, dependent on an agreement with UHLS

## Goals

- Determine if written notice is required for SCPL to change the exit date and the implications of the date possibly changing multiple times
- Evaluate “cost” to JA for SCPL to remain past 9/4/2024
- Determine if there is a need for charges beyond the monthly JA fee billing
- If needed, determine a rate and how this will be billed
