8a Space

Circumstances under which the library has no control that are barriers to compliance:

The Stillwater Public Library is housed in a building built in 1874, purchased in 1959, with an addition built in 1979. We do not have a handicap accessible children's or teen section. Our programming is limited to 18 people in a normal year if we do not use tables.

Plan for compliance:

In May of 2021, we placed a referendum before the public to purchase and renovate a former factory in to wn as a new library space. The vote passed and we expect to be in the new facility by December of 2023.
